# MASSHIRO

パーフェクト25

*Resculpt Facial Contour*  
*Recall Eternal Youth*  
*Retard Skin Aging*  
*Redefine Radiant Glow*

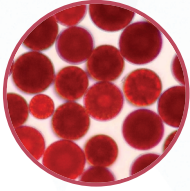

## FUNCTIONS

- ☑ Repairs and reduce the probability of oxidation
- ☑ Brighten and lighten skin tone
- ☑ Smooth the appearance of fine lines and wrinkles
- ☑ Maintain skin elasticity
- ☑ Enhance cell repair
- ☑ Tightens and smoothes skin

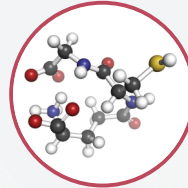

- ☑ Intense and continuous moisture for 24 hour
- ☑ Antioxidant and anti-aging
- ☑ Heavy metal and cancerous substances excretion
- ☑ Boost immune system
- ☑ Protection of skin cells from free radical damage
- ☑ Mind calming effects

## INGREDIENTS

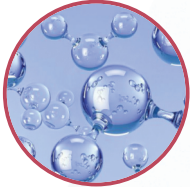

**ASTAXANTHIN**

- Effectively prevents UV rays from damaging the skin
- Repairs and reduce the probability of oxidation
- Stimulate collagen production , Smooth the appearance of fine lines and wrinkles
- Intense and continuous moisture for 24 hour
- Restores resilience of native skin
- Antioxidant and anti-aging

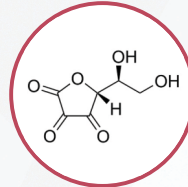

**GLUTATHIONE**

- Reduce pigmentation and fine lines
- Hydrate and moisturize skin
- Increase skin elasticity
- Detox and liver protection
- Brighten skin complexion
- Break down and excrete excessive melanin
- Eliminate free radicals

**COLLAGEN TRIPEPTIDE**

- Instantly metabolized and forms collagen after consumption to hydrate and moisturize the skin.
- Thickening of skin dermis and elastin formation to improve skin elasticity, reduce open pores and rejuvenate dull skin.
- Increase collagen formation in the dermis and improve moisture level in the skin for radiant glow
- By increasing new collagen production and increasing skin thickness, together with improved moisture levels, fine lines and wrinkles are reduced.
- Collagen peptide will penetrate deep layers of skin to boost collagen formation, hence improving cell growth and cell turnover.
- Collagen peptide possess strong permeability across the stratum corneum to the dermis to boost collagen formation. This helps to lock moisture and maintain skin structure, promote metabolism of skin cells, enhance blood circulation and nourish the skin.

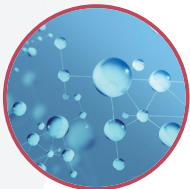

**ASCORBIC ACID**

- Antioxidant and anti cancer properties
- Increase cell immunity
- Aid in collagen formation
- Prevent and reduce spots and pigmentation formation
- Improve skin elasticity
- Reduce photo-aging

**BITTER GOURD EXTRACT**

- Reduce glucose absorption
- Rejuvenate skin
- Slow down aging process
- Prevent and stabilize diabetes

**HYALURONIC ACID**

- Protect skin from UV rays
- Moisturize skin and slow down early signs of aging
- Boost collagen production
- Rejuvenate skin
- Anti aging

**CHAMOMILE EXTRACT**

- Soothing and calming effect
- Improve sleep disorders
- Mood stabilizing
- Reduce anxiety
- Strengthen memory
- Brighter skin tone

## JAPAN • MEDICAL BEAUTY

**3**

**ANTI**

- Anti-ageing
- Anti-oxidant
- Anti-sugar

**3**

**RESTORE**

- Restore aged skin
- Restore saggy skin
- Restore dull skin

**3**

**REPLENISH**

- Activate collagen cells for rapid synthesis
- Moisturising skin rapidly
- Skin brightening
